

10th European Crystallography School (ECS 10)

Sunday, 22 June 2025 - Sunday, 29 June 2025

Hotel Inex Olgica, Lake Ohrid, N. Macedonia

Program

Suggested speakers (TBC):

- Robert Dinnebier, Max Planck Institute for Solid State Research (Germany)
- Kenneth Harris, Cardiff University (UK)
- Craig Brown, National Institute of Standards and Technology (US)
- Mirijam Zobel, RWTH Aachen University (Germany)
- Stefano Canossa, Max Planck Institute for Solid State Research (Germany)
- Kirsten Marie Ørnsbjerg Jensen, University of Copenhagen (Denmark)
- Peter Müller, Massachusetts Institute of Technology (US)
- Daisuke Hashizume, RIKEN (Japan)
- Maya Kiskinova, Elettra, Elettra Sincrotrone Trieste (Italy)
- Ella Schmidt, University of Bremen (Germany)
- Julia Dshemuchadse, Cornell University (US)
- Ivana Brekalo, Ruđer Bošković Institute (Croatia)
- Karena Chapman, State University of New York at Stony Brook (US)
- Sebastian Bette, Max Planck Institute for Solid State Research (Germany)
- Max Terban, Max Planck Institute for Solid State Research (Germany)
- Simon Bilinge, Columbia University (US)

*Practical training: online data collection at Elettra , Italy; hand on (powder diffraction) at Institute of Chemistry, Skopje

Commercial/ companies (TBC): Christian Schürmann, Rigaku Europe SE; Martin Adam, Bruker AXS GmbH
